Dress Code in a Warehouse

Work only when you are healthy

If you are feeling unwell please tell us immediately. Your safety is our priority. Working in a warehouse environment could be dangerous.

Wear the right protection

Some warehouse roles require you to wear head protection, always check with your consultant to ensure you have the right Personal Protective Equipment (PPE).

The right attire

Wearing warm and comfortable trousers means you will be comfortable when moving around.

Always wear a hi-vis

Ensure your safety by wearing a Hi-Vis jacket. We can provide this for you as it is part of the essential Personal Protective Equipment (PPE).

Safety shoes

Wearing shoes that have toe caps and rubber soles is an important part of keeping you safe.
